**PREFACE**  
2007 Special Session  
(October 29, 2007 – November 19, 2007)

By Executive Order (01.01.2007.23, October 15, 2007), Governor Martin O'Malley called the General Assembly into a Special Session on Monday, October 29, 2007. The Special Session adjourned *sine die* on November 19, 2007.

A total of 94 bills were introduced during the Special Session, of which 34 were Senate Bills and 60 were House Bills. Of the 94 bills that were introduced, 3 Senate Bills (SB 2, SB 3, SB 6) and 2 House Bills (HB 1, HB 5) were passed by both houses and became law.

Another bill, House Bill 4, was a Constitutional Amendment and took effect pursuant to the provisions of Article XIV, Section 1 of the Maryland Constitution. It became Chapter 5 with the Governor's signature.

Pursuant to Article II, Section 17 of the Maryland Constitution, the 2007 Regular Session bills vetoed by the Governor were considered during the Special Session. One bill was enacted over the Governor's veto and became Chapter 1 of the 2007 Special Session.

The Synopsis portion of this publication covers all the bills that were signed by the Governor or otherwise became law in order by chapter number. There is a brief description of the subject matter of each Act, as well as a reference to the introductory bill number and the name of the member who introduced the bill. The words "Amended" or "Enrolled" indicate that the bill was amended during its passage through the two houses. The word "Emergency" indicates that the law became effective upon approval by the Governor.

The Status portion of this publication contains indexes of all bills introduced, compiled by Sponsor, Committee, Statute, Final Status, and Subject.
