

*During the 2008 legislative session, the Maryland General Assembly evaluated over 150 bond bill requests totaling over \$72 million. The Senate and the House of Delegates each funded \$12.5 million in legislative projects; individual bond bills were not acted upon by the legislature. Instead, the General Assembly amended the State Capital Budget Bill (SB 150) to specifically list the projects selected for funding. The chart below indicates the status of those bond bills funded in 2008. The "Total" column on the right indicates the total amount of funding approved for each project.*
