3 Preamble

4 WHEREAS, The current economic situation in the State and the country has
5 left many Maryland workers unable to find new full-time employment; and

6 WHEREAS, Many of these workers are currently receiving unemployment
7 insurance benefits from the State or have exhausted those benefits; and

8 WHEREAS, There are employers in the State who would like to hire new
9 employees but face economic challenges in expanding their workforce at this time; and

10 WHEREAS, New jobs would reduce the burden of unemployment for Maryland
11 workers and their families; and

12 WHEREAS, Expanding the State workforce would stimulate the State's
13 economy by enhancing personal spending and tax revenues associated with increased
14 employment; and

15 WHEREAS, Creating new jobs for workers currently receiving unemployment
16 insurance benefits would reduce the burden on the Unemployment Insurance Trust
17 Fund and the employers who contribute to that Fund; and

18 WHEREAS, A State tax credit program for employers based on the creation of
19 new jobs in the State would encourage and assist them in expanding their workforces
20 and in reducing the burden of unemployment on the State and its citizens; now,
21 therefore,
