**Analysis**

**Current Law:** The State Archivist preserves, describes, and makes accessible – to the government and the public – records deemed to have permanent historical, educational, and administrative value. The State Archivist adopts regulations to govern the State Archives; manages the Hall of Records Building and other property acquired by the Archives; manages records under the supervision of the Archives; and defines the categories of records in the report of the Records Management Division of the Department of General Services. In addition the State Archivist may establish fees for the care and preservation of records under the supervision of the Archives.

The Maryland State Flag was adopted in 1904 followed by the adoption of the Black-Eyed Susan as the State flower in 1918. Since then, the State has adopted 22 additional official symbols as shown in **Exhibit 1**. The Governor is also authorized to designate a citizen as the State's Poet Laureate.
